

## Town of Torbay Housing Accelerator Fund (HAF) Grant & Incentives Application

### Program Description

### SECTION 1

This program is intended to provide financial assistance to develop additional 'missing middle' and affordable dwelling units in Torbay, and to promote an increase in housing density and multi-unit housing options. The purpose of the grant is to increase housing options and affordability, and to promote an inclusive community. The eligible dwelling unit must comply with all applicable federal, provincial and municipal legislation, including Town of Torbay Development Regulations, Engineering Guidelines, National Building Code of Canada and ancillary Codes, and all applicable By-laws and regulations. The HAF Grant Program is not for repairs, modifications or improvements to existing dwellings, nor for new single dwellings.

This program offers a one-time grant of a maximum of \$10,000 per new 'missing middle' dwelling unit up to a maximum of \$125,000 per multi-unit development, and \$15,000 per new affordable housing unit up to a maximum of \$150,000 under the affordable housing incentive program. 'Missing middle' and 'affordable housing' grants may be stacked. Grants are committed to applicant at footing permit / building permit stage and will be paid to the applicant at the Occupancy Permit stage. Grants will be paid subject to conditions and the signing of an agreement with the Town upon acceptance and approval of the grant application at construction permit stage.

Applications will be assessed on a first-come, first-served basis; subject to project readiness for construction during the current building season and HAF funding availability. Applicants must follow regular development approval and permit processes. The Town of Torbay Development Application must be completed in addition to the HAF Grant and Incentives Application.

Successful applicants will need to enter into a Grant Agreement with the Town of Torbay prior to the disbursement of any payment under this program. In the event a project qualifying under this grant is sold to another party prior to grant funding, the existing grant agreement would be nullified, and a new application would be required by the new owner or agent representing them.

Agreements will be executed at the footing/building permit stage. The grant will be disbursed 100% at the Occupancy Permit Stage.

The Town of Torbay reserves the right to update or amend conditions to the grant and waiver of fees program as required, as the HAF Grant program rolls out. Properties with outstanding debts, taxes or obligations to the Town of Torbay are not eligible.

**In signing this HAF Funding Application, you enter into an agreement that:**

An agreement will be signed at footing permit / building permit stage. The grant will be disbursed at Occupancy Permit Stage.
