Torbay e-Permitting System Now Live

The Town of Torbay is now offering a convenient e-permitting system and we look forward to receiving your applications via the town's e-services portal!

The new e-permitting system is being funded by the Federal Housing Accelerator Fund. The goal is to make the building permit process easier, more efficient and transparent for everyone!

Applicants are responsible for ensuring the information submitted is correct and complete for processing. Before you begin, make sure you have the following information:

- Floor Plans/Building plans
- Plot Plan (when applicable)
- Estimated Cost of Construction
- Applicant Contact Information
- Copy of Survey

Once all the appropriate information has been submitted, plans will be reviewed by Planning and Development Staff and the applicant will be contacted about next steps.

For more information please contact our Planning and Development staff at Town Hall at (709) 437-6532 or stop by the downstairs widget at Town Hall!

Public Engagement Opportunity with Torbay Inclusion Advisory Committee

The Town of Torbay's Inclusion Advisory Committee would like to hear feedback from any residents with exceptionalities and may require support in learning about or registering for any Town programs or events.

Anyone who would like to provide feedback or would like more information can contact Jen Martin at jenmartin@torbay.ca or call (709) 437-6555.

Active Transportation Plan Open House

The development of an Active Transportation (AT) Plan for the Town of Torbay presents an opportunity to re-envision how people move through and interact with the Town. Walking, cycling, and other forms of AT are important transportation options that require dedicated planning to help create an equitable and sustainable community for everyone.

The Open House on Wednesday, April 15, 2026 from 4:30 p.m. - 6:30 p.m. at the Torbay Common is your opportunity to engage with the plan and provide feedback on how you want to see better AT options rolled out in Torbay. Babysitter and an ASL Interpreter will be on site, we encourage all residents to come out, meet the team, and help craft a plan that meets the needs of the community! For any questions, email Jason Slade at jslade@torbay.ca or call (709) 437-6532 ext. 254.

KILLICK COAST GAMES 2026 | AUGUST 16 - 20

HOSTED BY

ENLOBE
