Parents gain skills and confidence that help them create positive family patterns during their children's crucial early years. TORBAY HISTORY HOUSE VOLUNTEERS

Torbay History House is inviting you to become a volunteer!

We have many different needs and as a volunteer your skills may be a great fit with what we are seeking. In addition to our traditional and historical programs offered to elementary students, we also need people who like to work behind the scenes. Database input, cataloging artifacts, organizing files and photos are tasks that can be performed more independently once you have been trained.

ORAL HISTORY PROJECT

We want to know your story. We are open to anything and everything you would like to share. We can come to your house, or you can come to our house, and we will record your memories. If you would like to volunteer to help with this project, we welcome you and will provide any training needed. Please contact Torbay History House at museum@torbay.ca, or 709-437-6532 ext.270 to set up a time and place.

PHOTOGRAPH DONATIONS

Torbay History House is seeking donations of old photographs you may have of Torbay and the surrounding areas. We do not have that many photographs of old buildings, annual events that no longer happen, or places in Torbay and would welcome any that you would like to share.
